

See/Jump Online Banking Authorization Form

Overview

- **See:** Provides view-only access to monitor balances and transaction history on another account where you are a joint member. See does not allow transactions.
- **Jump:** Allows full access to conduct transactions (except applying for loans or changing passwords) between memberships without additional authentication.

By authorizing *See* and/or *Jump* access, the designated membership will have full access to all current and future accounts under your membership, regardless of privileges on specific (old or new) sub-accounts.

Important Notes:

- To enable *See* or *Jump* access, the Social Security Number (SSN) must be listed on *both base-savings* (000) accounts.
- Primary Member: The active membership used for online banking.
- Authorized for See/Jump: Accounts that can be monitored or transacted on while logged into the Primary Member Number online banking profile.

I authorize the following memberships to have *See* and/or *Jump* access to my membership through online banking:

From Primary Membership	To Membership - Authorized for See/Jump	Access Type
		☐ See ☐ Jump ☐ Revoke
		☐ See ☐ Jump ☐ Revoke
		☐ See ☐ Jump ☐ Revoke
